SUBJECT LINE: RFP released for Encounter to Value Payment Model

Request For Proposals Seeks Technical Assistance

Dear Feedback Network Member,

A Request For Proposals (RFP) for technical assistance in the development of an alternative payment methodology for Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) was released August 19, 2015.

Payment Redesign Model 2: Encounter to Value, addresses payment and delivery reform for FQHCs, RHCs, and Critical Access Hospitals (CAHs). Under this payment model we will shift from encounter-based payments to value-based methodologies that provide flexibility and encourages sustainability to meet changing community needs. The RFP seeks technical assistance in designing alternative payment methodologies for FQHCs and RHCs that is simple, fair, transparent, and inexpensive to administer.

Letters of intent to apply are due Sept. 2, 2015. If you have questions or comments please contact the RFP Coordinator at contracts@hca.wa.gov. For further information about the RFP please register for WEBS at: <https://fortress.wa.gov/ga/webscust/>
